## COMMODORE'S MESSAGE

Greetings,

I would like to thank the members who worked so hard at Clean-Up Day on September 9th. The turnout was disappointing, but the members who did show up accomplished an incredible amount of work in a very short time. These dedicated members save the club a lot of money by performing maintenance that would otherwise be paid for by the entire community. As members, we need to ask ourselves if there is any service that we can contribute to the Club. As it stands, the work falls upon a few members. Every member does not have to show up at every Clean-Up Day or be at every committee meeting. However, each and every member should volunteer to contribute in some way to the Club, be it to head a committee, or simply to show up at Clean-Up Days.

During the year, a lot of people complain about different things. We encourage this and hope that you will make your feelings known to us. However, with this right comes the responsibility of helping to make things better than they are.

Volunteerism is increasing, but we still have a long way to go. Please try to help by resolving to give a small amount of time to the Club this year and every year.

Angela Mahler  
Commodore

## LHRPB BOATING REGULATIONS PUBLIC HEARING

### A Brief Overview

On Sept. 21 the Lake Hopatcong Regional Planning Board held its second public hearing on the need to restrict boats in size and/or power, the need to limit where boats can

anchor for partying purposes, and controls on waste dumping.

The LHRPB had been asked to address these issues in light of the ever increasing size and horsepower of boats on Lake Hopatcong, concerns about how wastes generated by boat heads were being disposed of and lakefront owners' complaints about partying on boats anchored near their homes. Approximately 100 residents attended including a handful from Lake Forest.

Speakers ranged from those who saw the state-owned lake as one that should be open to all to use any way they wished to those who regretted the deterioration in safety and quality they've witnessed on the lake over the years and want to see measures taken to save the lake and improve its quality.

Whether for or against restrictions a common thread was cited by speaker after speaker: a need to enforce the boating laws already on the books. Many said they felt size & h.p. weren't the issues but sheer numbers. They advocated some kind of limitation on the number of boats permitted to launch at public and private marinas.

Residents who would like to comment on these questions are invited to send written responses to: Lake Hopatcong Regional Planning Board, 72 Eyland Ave, Succasunna, NJ 07876.

## HUGO TAKES OUT FUN RUN

Lake Forest runners of all ages were disappointed to find the Sept. 24 Fun Run cancelled. The Fun Run was the last domino in the string that began with heavy rains during the prior week and threats of Hurricane Hugo's wrath that weekend. The many Jefferson Twp. soccer teams were forced to reschedule many of its games -- et voila! no Fun Run.

First in an occasional series highlighting the businesses Lake Forest residents, our neighbors and friends, own and operate.

## LAKE FOREST WELCOMES NEW BUSINESS VENTURE *GIFTS TO GO*

GIFTS TO GO is a new and unique gift business specializing in unusual and creatively designed gift baskets.

Personal gift consultants, Leslie Plifka of Lake Forest and partner Mimi Manzione of Prospect Point, would be delighted to create a gift basket to meet your exact gift giving needs.

At GIFTS TO GO, baskets may be found to fit every occasion or celebration, including birthday, wedding, anniversary, get well, birth, housewarming, and thank you. Holiday baskets (including Christmas) are also offered as well as baskets for teachers. All baskets are

professionally wrapped and beautifully finished with colorful excelsior, bows and streamers in a variety of colors.

GIFTS TO GO also offers "Born to Shop Parties", a fun way to introduce this gift line to you and your friends. The hostess will receive a lovely gift basket and each guest will also receive a special gift.

Why not let GIFTS TO GO take the time, frustration and decision making out of gift giving. Local delivery is free and baskets can be shipped anywhere in the U.S. To order a basket, book a party, or for more information, call GIFTS TO GO at 663-3260.

## MINUTES OF TRUSTEES MEETING SEPTEMBER 12, 1989

### **BUBBLER**

The bubbler cannot be repaired. A quote has been received from Flash Enterprises for \$450 for a fan which will keep ice from forming around the dock area. This fan would require an electrical hook-up and a control to turn it on and off as needed. It was voted to have the ice-eater installed at a cost not to exceed \$1000.

### **SIGN**

A plastic coated wood sign with the new LFYC logo, which would also serve as a bulletin board, will cost \$525. It was voted to order the sign at that cost plus tax.

### **DUES**

After discussion, it was decided that dues would not be raised for the coming year.

### **DOCKS**

Dock fees will remain the same for the 1989-90 season.

### **MASTER LEASE**

There has been no success in finding a map indicating which parts of the waterways were intended to be part of Lake Forest. It was agreed that for now, if a property has a Master Lease clause in its deed, its owners are entitled to membership, and if there is no Master Lease clause, membership cannot be offered. It may be possible to develop a separate membership for people who live in Lake Forest but whose property deed does not include the Master Lease clause. This will be investigated further.

## SPOTLIGHT ON

This month launches a regular section that will introduce you to some of our local restaurants. Meet the owners, peruse the menu -- join the *PORTHOLE* on visits to old favorites and new additions to our area's culinary landscape.

### LAKESIDE LUNCHEONETTE

Lakeside Shopping Centre  
Rt. 15, Lake Hopatcong, 663-0233

Monday to Friday 5 am - 8:30 pm  
Saturday till 3 pm Sunday till 2:30  
Lunch under \$5.00 Dinner \$6. - \$10.

Owners Pete and Donna Seretis have been pleasing appetites in the Morris County area for the past 30 years. Lakeside Luncheonette, which has been a fixture in its location at Lakeside Shopping Center for over 20 years, has been in their able hands since 1985.

In the past five years they have changed the luncheonette considerably. Two years ago the Seretis' were able to double their serving area when the space next door became available. With the addition of this space the decor has taken on a homey, rustic flavor that's a relaxing backdrop to dining.

Pete, pictured here with Donna & son Nikos in the new dining area, specializes in the breakfast & lunch menu with such favorites as cheese steaks, hamburgers and club sandwiches for lunch and pancakes, waffles and eggs any way you want them for breakfast. Pete is well-known for his home made soups.

A dinner menu was added in April of this year by Pete and Donna. Donna

enjoys the challenge of the dinner menu and proudly points to her popular stuffed broiled flounder. Home made dinners such as goulash with noodles and beef pasties (from scratch) accompany a number of Italian specialties like lasagna and chicken & veal marsala. Desserts are a delight with many familiar treats and Greek specialties like baclava.

## NURSERY SCHOOL NEWS

The first day of school at Lake Forest Nursery School was full of excitement with new students and "old timers" quickly getting into the swing of things. New moms are to be congratulated for handling their own first day Jitters with great maturity - not a tear was seen!

Only a few weeks have passed and the morning class has already celebrated Red Day (red clothing, red snacks) and the afternooners have baked muffins with Mrs. McGraw. We're going on a Fall Field Trip to Ideal Farms in October.

Look for us at our Bake Sale in front of Pathmark on Saturday, Oct. 28th: home baked goodies with a Halloween theme!

Entertainment Books are available from any nursery school family or at the Saposnik's Jefferson Deli (thanks Sue & Stu!). See our ad in this Porthole. These two fundraisers help us support our school. Your help is greatly appreciated!

Also: would you save Scott Apple Seals for us? With these seals we can earn free equipment and classroom teaching aids. Just put them in an envelope marked "Nursery School" and drop them off at the office any time. Thank you!

**PLEASE save the seals (right) from these  
SCOTT products (left).**

## NURSERY SCHOOL PIX

Morning students (left) create masterpieces with Play-Doh, while experienced afternoon children get reacquainted at Circle Time.

### **FINALLY, a Chiropractic practice designed for the 1980's.**

From the first, we at Lake Hopatcong Family Chiropractic have been sensitive to the attitudes you, the public have developed about chiropractic. Therefore we have carefully chosen our office procedures and our chiropractic techniques in order to make your visit to our office as comfortable and enjoyable as possible.

- **BECAUSE** we know you may have worried about what to expect at a chiropractic office, we cheerfully explain our procedures and fees to you on the phone, even before you step in our door. Call us and see.

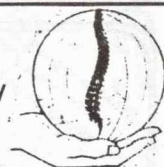

- **BECAUSE** you may have wondered about pain and chiropractic spinal adjustments we have chosen the most up to date **LOW FORCE CHIROPRACTIC ADJUSTMENTS**. These spinal adjustments are effective and modern. All ages, all sizes, all spines can benefit from these gentle but highly efficient spinal techniques.

- **BECAUSE** we know you are interested not only in pain relief but also health maintenance and education, we offer a variety of educational sources - first rate video presentations, in-house lectures, a health lending library - all geared to answering whatever questions you might have concerning your health.

- **BECAUSE** Lake Hopatcong Family Chiropractic's Dr. Kim Stetzel feels a special commitment to families and their health, she has custom tailored family plans for single parent and family groups, as well as retired couples.

# COMMUNITY RESPONSE BULLETIN

## Police Department

TOWNSHIP OF JEFFERSON  
MORRIS COUNTY, NEW JERSEY

Dear Resident:

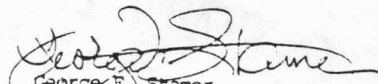

Halloween will soon be here again. I would like to take this opportunity to remind you and your children of safety measures to take while out Trick or Treating.

- Wear light colored clothing short enough to prevent tripping, and add reflectors.
- Make sure your children can see well through face masks.
- Accompany young children.
- Go out in daylight and carry a flashlight in case of delay.
- Stay within the neighborhood and only visit homes you know.
- Watch for traffic.
- Only give or accept wrapped or packaged candy.
- Examine candy before allowing children to eat it.

Officer Marty Kowal will be going to all of our grade schools to talk to the children about Halloween Safety. He will distribute a Trick or Treat Bag and a Coloring Book to each child.

Residents of Lake Forest have made complaints about speeding cars in their neighborhood, especially on Yacht Club Drive and Ripplewood Drive. The Police Department will be increasing its radar details in these areas. We ask your cooperation and obey the speed limits. Please drive carefully.

## TIME TO WINTERIZE

### AHOY THERE:

It is time once again to think of WINTER STORAGE! We are presently taking reservations to insure that all of our valued friends and customers will be accommodated.

Our storage services include: winterizing your motor. We check the lower unit lube to make sure no water has gotten into it (we change it if necessary), I/O's have the block & manifold drained, all fittings are greased, and the motor is fogged with engine-store. All water is drained from your boat (non-toxic anti-freeze is put into the water system if applicable). The entire boat is carefully checked over for any problems. If we find anything wrong, you will be notified immediately.

- For your protection, we advise that you remove loose articles such as radios & tape players.
- Outside storage available in shrink-wrap.
- Proper care and maintenance of your boat each year means more trouble-free pleasure for you and your family!
- We highly recommend a bottom scrub as a fouled bottom causes drag and up to a 3 mph loss of speed as well as more gasoline consumption.
- This is also a good time to have the interior and exterior thoroughly cleaned to get rid of accumulated dust, dirt and grime. A quality waxing of the hull will help keep your vessel in "like new" condition.

### **ANNOUNCING MERCURY MARINE'S NEW FIVE-BLADED STAINLESS STEEL PROPELLOR!**

Designed to MAXIMIZE boat performance. Originally designed for quicker on-plane time (hole shot), snappier acceleration and optimum bow lift at top speeds, the **HIGHFIVE** was also determined to hold better on tight turns and in rough water -- while beating the fastest four-bladed props available. This new prop will benefit bass boats, ski boats, mid-range pleasure boats as well as large, deep-vee fishing boats.

### **SPECIAL SAVINGS FOR LAKE FOREST BOATERS!**

This coupon will entitle you to a
