Commodore's Message

The club's annual meeting was held early last December and it was great to see such a good turnout. There were four trustee positions available including mine. After four years on the board with this last year as Commodore, I decided not to rerun.

Congratulations to Jaime Evans, Vanessa Luke, Mike Kahwaty and Brian Richardson on being elected to those positions. Along with incumbents – Bryan Hyland, Mike Malakuskie, and Chris Peters – I'm confident that membership will have a solid board going forward and that

Inside this issue:

they'll continue making progress on the short and long term goals of the club.

setting up and cleaning up and also in getting supplies for this event. We usually get a real nice crowd for the Super Bowl party and I believe last year I counted eight babies that were there so it's become a real nice family event for all to enjoy.

are always interested in new ideas and new faces to help plan and run these events.

We are still looking for someone to run the snack shack this year. If you have any interest, please contact the office. It doesn't necessarily have to be just one person doing it, it may very well be a group of people.

In closing, I'd like to wish everyone a healthy and happy New Year!!!

2019 DOCK SLIP RENTALS

The club office has mailed out the 2019 dock slip rental invoices and rental agreements to all members who rented dock slips in 2018. The 2019 dock rental fee for members is \$525.00. If you plan on renewing for the upcoming season, please return the completed and signed rental agreement along with a copy of your current boat registration and payment by March 15th 2019. Please be advised that the office will not accept incomplete applications. Also, please indicate if there is any repair issue that you feel needs to be tended to regarding your slip.

If you have no intention to renew your dock slip for the 2019 season, please contact the club office so that we may reassign the slip to another member. We already have several members requesting available dock slips this season.

Since we have limited amount of dock slips, we will restrict dock rentals to one slip per member family until March 18th to accommodate as many members as possible. As is club policy, dock slips will only be rented to members whose: financial obligations to the club are current, have completed and signed rental agreement and provide a copy of the boat registration indicating member ownership of the boat. All of the above criteria will be required before LFYC approval of dock slip rental or renewal.

For new members or members renting for the first time, we will have few open dock slips for the 2019 season. If you'd like to rent a dock slip this season, please contact the club office at 973-663-0158 to request a dock rental agreement. The open dock slips will be reserved on a first come first served basis for members who meet the above rental criteria. Actual slip assignments for new renters will be determined starting March 16th, after member dock renewals are confirmed.

Members who would like to rent a second dock slip may do so after March 18th. On April 1st, all remaining open dock slips will be made available to member guests, with a member referral, at a rental fee of \$1,500.

Ice Safety on Lake Hopatcong

Remember: ICE IS NEVER 100 PERCENT SAFE!

All ice is different. Is there snow cover? Has it been a little warmer lately? Is there a muskrat den nearby? Does the water tend to move where you are? All those things can change the strength of the ice under your feet. Black ice is always stronger than white or cloudy ice, but no matter how safe it looks, always be prepared with proper safety equipment and know how to get yourself out if you fall through the ice.

ICE THICKNESS

These are general guidelines for black ice, but again, *ALL ICE IS DIFFERENT*, so be cautious and take note of weather patterns, moving water, and changing ice.

LESS THAN 2"

Unsafe conditions

4" TO 6"

Likely to be safe for small groups

6"+

Groups of Skaters

8"+

Snowmobiles and ATVs

BEFORE YOU GO OUT...

- ✓ Ask an adult's permission first.
- ✓ Figure out how thick the ice is (you can do this by looking at black ice or by having an adult use a drill or an ice auger to measure) and whether it's safe to go out.
- ✓ Tell an adult on shore where you're going and when you think you'll come back.
- ✓ Find someone to join you (do not go out on the ice alone).
- ✓ Wear a life jacket under your winter coat--it will keep you cozy and help you float if you fall through the ice.
- ✓ Bring ice picks, a whistle, and (if possible) a cell phone with you. Have a rope ready on shore in case you need it.

IF YOU FALL THROUGH...

- ✓ Try your best to remain calm and breathe slowly.
- ✓ Turn back behind you, toward the ice that you were just standing on.
- ✓ With a swimming kick, try to push yourself forward onto the ice. (Use ice picks if you have them to get a hold on the ice.)
- ✓ Once you are out of the water, get to a safe, dry, and warm place, remove wet clothing, wrap yourself in a dry blanket, and call for medical help.

IF SOMEONE ELSE FALLS THROUGH...

- ✓ Do **NOT** reach out to them! Then you might fall in, too.
- ✓ Call 911 or get help.
- ✓ While you're waiting for help, you can extend a branch, pole, ladder, or rope to the person, or guide them out with the steps listed above.

Brian Richardson- Clubhouse/Docks/Boat Course:

1.Brian volunteered to cut down the old pillars in B&C dock slips that surfaced with the draw down.

Some of the parts of the playground can not be removed and it seems like a lot of work.

The Board suggested to try a fundraiser to collect the money for the new playground.

1.Anna will call Metro Supply to get a sample of the new beach sand that they offer.
