Commodore's Message

's June already, school will be out in just a few weeks and the L.F.Y.C. is gearing up for another summer season. George McGuire and three life guards have been hired. Life guards Toby, Peter and John will be on duty week-ends only until school lets out. The security guards have been on duty for the past couple of weeks. A painter has been contracted and will begin painting the buildings immediately. The contractor for the docks keeps assuring us that the new docks will be completed within two weeks. We are keeping a positive attitude that he is correct. The decision on the beach sand is still pending, but after examining several samples of sand we are closing in on our final choice.

I regret to report we did not have a quorum for our semi-annual meeting. An informal question and answer period was held as a courtesy for those members who did attend. Happily clean-up week-end was much more successful due to the organization and effort of Vinnie and Paula Jervasi. We'd like to thank the Jervasi's and all the other members who gave up a full day to help make the club grounds look beautiful.

We would like to remind you again about beach regulations. There are still badges in the office to be picked up, remember badges must be worn at all times on club property. Car stickers must be visible on all vehicles. Both the life guards and security guards have been instructed to check for badges and not permit anyone on the property without them, this also includes your guest. Another regulation I would like to address at this time is about children on the beach. Children ten years old and under must be accompanied by a responsible person 14 years old or older, and I stress the word responsible. We are asking all parents to please make sure you hire a mature and conscientious sitter to care for your children if you can't be there. Remember the life guards are not baby sitters! We do not want any unfortunate incidents on our beach this summer. If a sitter is not watching their charges responsibly they will be asked to leave the beach. We hope all parents will give us their upmost cooperation on this issue. I'm afraid there have been more incidents of horseplay and vandalism on the docks. This will not be tolerated! Anyone caught doing this will be suspended from the beach and their parents will be held responsible for any damage incurred because of this "irresponsible" behavior!

I'd like to remind you at this time that the date for the Regatta has been set for September 15 & 16th. We are urging all members to try to get out and sell a few ads for the program. This can be very profitable for the club and with a little effort from everyone we can again make this year a huge financial success. Here's hoping for a great summer and we'll see you all on the beach!

Patti Owens

THE GALLEY IS OPENING ON JUNE 23RD AND WILL BE SERVING FINE
FOOD AND SNACKS DAILY FROM 11:30 A.M. TO 5:30 P.M. (WEATHER
PERMITTING). COME DOWN FOR LUNCH OR AN EARLY DINNER!

N E W S W A T C H

Finding a suitable site for a dump or resource recovery facility has been the subject of month's of debate in Morris County. NEWSWATCH has reported the county's progress toward this end:

1. decision to use incineration as the means of disposal and steam generation
2. Picatinny Arsenal's refusal to accept the plant on its property although it was interested in being the recipient of the steam generated by it
3. County Consultant Bechtel's choice of 8 sites including one at Taylor Rd. & Rt. 15 in Jefferson
4. Montville's opposition to the siting of the incinerator there although Bechtel found it most suitable of all the 8 county sites

The impasse thus created was relieved when SWAC (Solid Waste Advisory Council) asked their consultants to look into 3 possible sites in Jefferson. The township's "remote" position and "low population density" were cited as important factors in their choices.

Two of the sites--at Tri-County Asphalt which owns and operates the quarry at the northern end of Lake Hopatcong above Woodport Cove--are generating a lot of interest because the Tri-County Asphalt Co. has informed SWAC that it would welcome the incinerator on its property. Access to those sites would be via Rt. 15 north to the Lake Forest exit and north on Rt. 181. Both Tri-County sites are on the southern (Lake Hopatcong) slope of the property.

The following letter from Township Administrator Bowden clarifies many points. The LFYC Trustees have made the information he refers to available at the LFYC office.

TOWNSHIP OF JEFFERSON

County of Morris

Municipal Building

**Weldon Road, Lake Hopatcong P.O., New Jersey 07849
(201) 697-1500**

**Office of the
ADMINISTRATOR**

June 8, 1984

Under previous cover, I sent you all the information currently available relative to the possible construction of a Resource Recovery Facility in Jefferson Township.

As indicated in the information, the Morris County Board of Chosen Freeholders and the Solid Waste Advisory Council (SWAC) will be investigating three (3) sites in Jefferson in the following areas:

1. Compton-Gobel Road (Lake Shawnee)
2. Tri-County Quarry (site has two options; one in Jefferson and one in Hopatcong)
3. Route 15 South (near Jefferson-Rockaway Township border)

The Mayor and Township Council is unanimous in their opposition to the location of a Resource Recovery Facility anywhere in Jefferson Township.

To help evaluate the negative impacts of each of these three (3) sites, the Township has hired a private consulting firm by name of ESEI/Ecolsciences, Inc. of Rockaway, New Jersey. This firm has already started work on this report.

Two upcoming dates are extremely important for the purpose of challenging a Resource Recovery Facility in Jefferson as a means of showing public opposition to such a facility.

The first date is June 18, 1984. At this time, the Mayor and Council will be conducting a meeting at Stanlick School in Lake Shawnee to solicit public input on this subject and review the preliminary findings of the private consultants. This meeting will begin at 8:00 p.m.

The second date is June 20, 1984. This is the date of the next SWAC meeting, which will be held in Morristown at the County Courthouse, Freeholders Meeting Room, beginning at 7:30 p.m.

It is essential that as many Township residents as possible attend both these meetings and express their opinions. Because of this, I am asking your assistance in notifying as many residents as you can that belong to your community association of the date of these meetings and the importance of their attendance.

If I can be of any assistance in this matter, please do not hesitate to contact my office.

Very truly yours,

Robert Bowden
Township Administrator

WANT-ADS

We do odd jobs inside or outside your home. All money we receive goes to the Jefferson Township Pound to help support animals. Call Karin Protin-1441 or Dawn Reyes - 3833.

FOR RENT - Waterfront vacation home, Barnaget Bay at Forked River. New, two bedroom ranch with dock facilities. Ideal location for the boating family. Nearby activities include fishing, crabbing, clamming, sailing, snorkeling and access to Island Beach State Park by boat. Call Ed or Betty Getchis if interested - 2311.

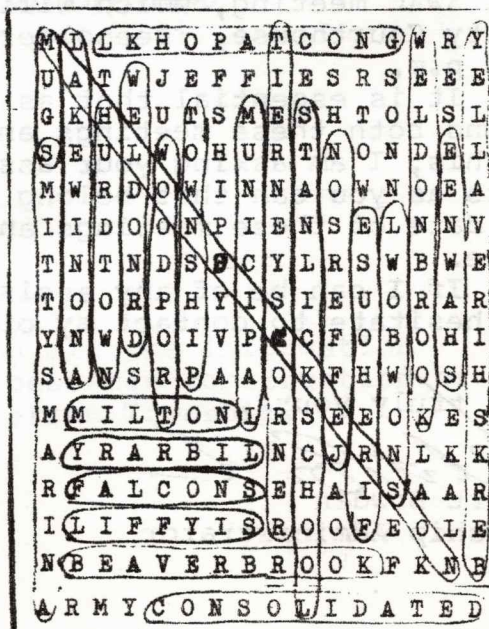

Laundry Help Needed: Looking for someone dependable to do our laundry in your house or mine. Call after 6 p.m. Margie-4516.

Summer Home Rental: Enjoy your summer vacation at the beautiful Catskill Mountains, Gilboa, NY. Close to Cooperstown, Howe Caverns and other scenic interests. Seven room house on thirteen secluded acres yet close to necessary conveniences. For information call Bill or Jane Leach - 3807.

FOR SALE: DOG RUN - Chain link - 12 sq. ft., 5 ft. high; suitable for large dog - asking \$85. Call 663-2946

ANSWERS TO PUZZLE

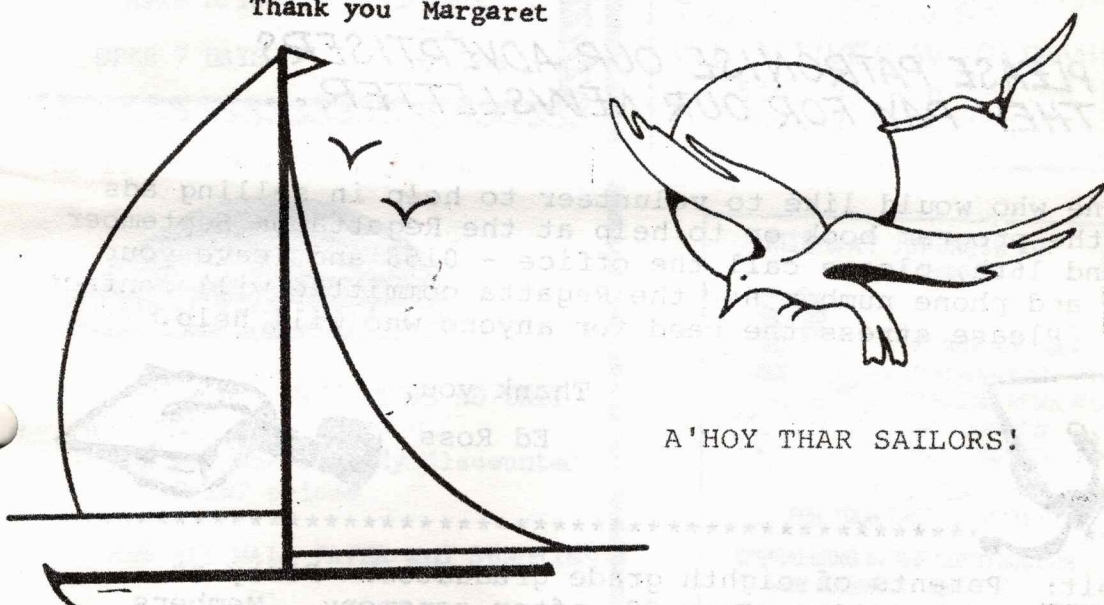

REMINDER: BEACH BADGES must be worn to go on club property. The badges are available at the office. The security guards are now on duty and you will not be allowed the use of club property if you do not have your badge on.

All vehicles must have stickers on and visible to guards; Cars, trucks, motorcycles or mopeds.

The office will be closed July 2nd and 3rd Please pick up your beach badges before that date.

Thank you Margaret

A'HOY THAR SAILORS!

Are you interested in sailing? If so, you're the person we need to participate in our L.F.Y.C. Sailing activities. All you arm chair, magazine reading, real or imagined sailors are invited to attend the L.F.Y.C. Sailors meeting on June 19 (1930h/7:30 p.m.) at the club. The following topics will be discussed: Racing, cruising, lessons, beer can regattas, etc. A prize will be given for the best "sea story". You need not be a sail boat owner to attend. Only a low key, relaxed, casual desire to sail is required. For additional information contact Tom Sinclair - 1346.

WHO AM I?

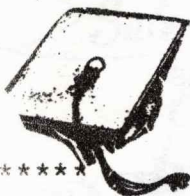

- (1) My name is big in Disney World.
- (2) My heart was broken, but I'm still a nice person.
- (3) With my name I could be presidential caliber.

Last month's mystery guest was Tom Donnelly and the champagne was won by Lorilee Schiff. To win your champagne call Vinnie (0712) after 7 p.m.

**PLEASE PATRONISE OUR ADVERTISERS
THEY PAY FOR OUR NEWSLETTER..**

Anyone who would like to volunteer to help in selling ads for the program book or to help at the Regatta on September 15 and 16th, please call the office - 0158 and leave your name and phone number and the Regatta committee will contact you. Please stress the need for anyone who will help.

Thank you,
Ed Ross

Tidbit: Parents of eighth grade graduates: Party at club Friday, June 22, after ceremony. Members wishing to attend call Carol Bradly - 663-2639 for further details.

Reminder: Family Picnic is scheduled for August 5, 1984.
