COMMODORE'S MESSAGE

You can tell it's Spring by the increased activity at the Club. As we get ready for summer, our volunteers are involved in getting the beach ready for everyone's enjoyment. Harry Moore & Steve Levinson have already spent hours planning the new swim curtain & the beach season, although a lot more work needs to be done. Harry tells me he is already planning a lot of activities for the children. Doug Hartman is again serving as our Dock Master, taking on the monumental task of assigning all the boats to suitable docks. Bernard Genaud is continuing as tennis & sports chairman, and has already put in a lot of time this year. He has even gone so far as to shovel the spring snows off the tennis court for our diehard tennis players. We can't forget Grace Bacorn, our house chairman, who is always gracious when handling requests for use of the Club.

As a Trustee, I am struck by the number of people we have in our community who so generously donate their time & talent to our Club. These people never ask for thanks, yet time after time offer to help. We could never name them all, but hopefully they know that their efforts do not got unnoticed. They are the reason we continue to exist & thrive as a community.

We'll see you all on Clean-Up Day, May 20th. Please call the office or one of the Trustees if you have noticed an area of the Club that needs attention & we'll put it on our list of things to do. Have a great Spring!

Angela Mahler
Commodore

- **Many of you may have noticed** that the entrance to the Club property has been chained. This is to limit access during the off-season and at night to protect the property from vandals. However, members of the Club are always allowed access to the property. If you are a member and have reason to obtain access to these areas, please call Margaret at the Club office and she will be happy to make arrangements.
- **STUDENTS • TEACHERS • EARN EXTRA $ $ THIS SUMMER!** The LFYC Galley Snack Bar is available for someone enterprising to make some extra money this summer. Run the Galley and be your own boss! The Galley season is from May 30 to September 4 (required open hours are negotiable). The Club provides the utilities and appliances while your responsibilities include insurance, obtaining the town health permit and, of course, the day-to-day operation. Trustee Jim Gray has set a deadline of May 5 for interviews. Call him at -0253 for more information. (NOTE: The Galley may be operated by a minor(s) however the responsibility must be an adult's.)
- **Tom Chrobak has volunteered** to repaint the handball wall & needs some one to help him. If you want to give Tom a hand call him at -4208.

To Our Friends,

During this most painful time in our lives, Janine, Raymond, Michael and I were heartened by the generosity of our neighbors. We were truly moved by the expressions of sympathy, food, flowers and help offered by so many people who genuinely demonstrated the true meaning of the word "friend". Ray was a kind, gentle and fun-loving man who obviously touched many people and we are grateful to you all.

Sincerely,
Susan Essig

MINUTES OF TRUSTEES MEETING
APRIL 13, 1989

(This is a synopsized version. Complete minutes available at the LFYC office)

Trustees present were: Robert Drummond, Diane Faruolo, Jim Gray, Steven Levinson, Angela Mahler, Greg Plifka and Stuart Saposnik.

MASTER LEASE Angela has spoken to attorney Ann Huber regarding questions pertaining to Master Lease. Ann suggested that questions be sent to her in writing and if she cannot answer by letter, she will meet with the Trustees.

DOCKS The dock repair is finished and M. Furfero has been paid in full $6200. The bubbler is still not working; the motor may not be large enough to do the job. The copper lines may need to be replaced with plastic PVC. There is confusion about location of the bubbler lines.

SOCIAL The Pig Roast is July 15. Liz Greene & Leslie Plifka reported that the cost will be $20/person including wine & beer.

SWIM CURTAIN $6000 has been budgeted for a new curtain to keep the flotsam & jetsam of Lake Hopatcong out of the LFYC swim area & beach. At least 10 people will be needed to take the curtain off the truck when it arrives as it weights about 800 lbs.

BUDGET A resolution was passed for the treasurer to invest money currently earning low interest, in a money market fund.

SECURITY The security schedule will start Memorial Day, continuing wkends until school is out & full-time thereafter. Mon-Fri 8-2am, Sat/Sun & holidays 7-2am.

NURSERY SCHOOL Nursery School has priced carpeting for the stage & foyer at about $700; curtains for the stage area & windows at about $600. The club is to contribute $300 with Nursery School covering the rest, for the stage area only. The club had budgeted $300./stage area only & cannot afford more at this time.

PORTHOLE The Porthole operated in the black it's first month. The contractors suggested that there be more input from the Trustees. They would like to see Committee New, Member of the Month or any other type of news which might be interesting to residents.

CLUBHOUSE A policy is being developed for the use of the club. It may be ready next month.

PROPERTY SALE Sarah Coraggio feels that capital improvements to the club for 2 years before the sale and 2 years after the sale can be used to reduce our tax liability. Since $98,000 was spent last year on improvements, we would like to move along so this amount can be used as part of the tax offset.
$300 was approved for appraisals.

CLEAN-UP DAY A list will be made of all jobs to be done. We'llmake sure we have all supplies on hand to complete the jobs.

OFFICE Margaret will be on vacation April 22-30.

MEMBER/DOCK LEASEES
LFYC dues & master lease MUST be current to renew dock lease.

TENNIS TIDBITS

The tennis court will be closed for approximately 24 hours after repairs are made sometime between mid-April & May. The original contractor, Donald Pierson of Outdoor Pros in Chester who has assured us he "stand s behind his work" will repair the cracks at the base of the net poles & surface peeling that has appeared in some areas. Don will make every attempt to do the repairs mid-week so weekend matches won't be affected.

SYNOPSIZED TENNIS COURT REGULATIONS

- OPEN TIME For young & adult members on a 1st come-1st served basis. One hour of play, on the hour. If no one else is waiting at the end of the hour play may continue.
- RESERVED TIME: 4pm-8pm wkdays, 8am -noon Sat.& Sun. Adult members (over 21 yrs) only. For reservations call the office (-0158), Harry (-1493) or Bernard (-4649). Reserved times & names are posted in the office window next to the clock. If time has not been reserved Open Time rules apply.
- No 2 players may play continuously for 2 reserved hours, but 1 player may play with a different player for 2 successive hours.
- Members must wear badges while playing.

Tom Chrobak (left) and Bernard Genaud agree that the tennis court is in need of only minor repairs to launch another LFYC Ladder Tournament in '89.

WINTER GRIME

- Finalist will forfeit if player cannot compete July 8 - 9.
- Trophies will be awarded to the winner(s) of each category.
- If your opponent agrees to play on courts which charge a fee, you both share the fee.

MEMBERSHIP MOVES

Membership Committee now has more than 20 LFYC members signed up to greet new residents on behalf of the Club. Every street in Lake Forest is represented by at least two members who greet new neighbors with a housewarming gift & packet of information about the Club & community.

The Committee holds an organizational meeting once a year & schedules a welcoming function annually. This year's committee meeting will be held on May 8 at 8pm. A Welcomng Wine & Cheese Party is tentatively scheduled for June 4. The committee is making an effort to invite all potential members to this party, whether new or longtime residents. The committee looks forward to meeting neighbors, making new friends & hopefully increasing membership.

This is a committee that can never have too many members. Everyone is urged & welcome to join. For more info call Robbie (-1383), Kim (-3240) or Angela (-3540).

Robbie Levinson (left) and Kim Volpe review plans for the Membership Committee meeting and Party at Kim's house on Commodore Drive on a balmy spring day.
