Commodore's Message

Hello Neighbors,

Time flies when you're having fun. The "second half" of summer is sure to bring as much excitement as the first. Be sure to check inside this month's Porthole publication for upcoming events. Even without swimming allowed at the beach we had a busy start to the summer. Since school has ended we have had many activities for our entertainment starting with watching Incredibles 2 with popcorn and pizza on the beach. We then had SuperNova for our first band on the beach which is always a good time.

July started off with a bang featuring a full beach for July 4th, we also had Community Day with Kevin McArdle, Red Solo Cup Kickball and Craft on the Beach for the kids. This month's social calendar is filled up. We have the wakeoff competition, campout on the beach, the second annual Adult Corn Hole and Kid's Soccer Tournament, and another band on the beach with Hoi Polloi. If you'd like to get involved in any of these events please reach out to a board member or Debbie Pfeiffer.

Just a reminder the nominating committee will be seeking out members who are interested to run for the board. This club has made great strides the past several years and the goal is to continue in the same positive direction. Please consider donating your time and help us move forward with the improvements to the club. There are 3 positions available next year and if you are interested there is contact information for the nominating committee in the Porthole. Any present or past board member can inform you of the time and dedication it takes to be a trustee. Inquire with one of them if you're interested.

On Saturday August 31st our Closing Day Picnic will conclude our summer activities. We are looking for a great turnout that will cap off a wonderful 2019 summer at Lake Forest. I hope all enjoy the remaining weeks of the summer here at the lake and as always I look forward to seeing members enjoying our facility!

Thank you for your time and patience with the water conditions and restrictions placed on the lake. Your board is doing everything we can to remedy the Health Department's ban on swimming for LFYC. Keep in mind we are not bigger than the Board of Health or the State and your safety is our number one priority. We are communicating any information we have to you through FaceBook posts and email. Please be

aware the Commodore's message is written about ten days before the Porthole arrives in your mailbox. Some circumstances may change during those ten days.

Enjoy the rest of the summer!
