Commodore's Message

Dear Members,

May 26 will be our official Summer Kick-Off Beach Bar-B-Q—an event I'm sure everyone is looking forward to sharing with family, friends and neighbors.

It goes without saying that our Club facilities need some preparation before the Big Event. After this long winter we need help from everyone on Clean-Up Day on May 18. Bring your rakes, brooms, shovels and wheel barrows. We have to remove the debris from the beach before we touch the piles of new NJ Shore sand waiting to be spread.

We will need a quite a few hands to install the catwalk and curtain, to paint the raft and accomplish other spruce-up jobs around the grounds.

A list of jobs has been prepared by the Trustees, with the confidence that all the items will be checked off before the day is over.

We will utilize, for the first time in a very long

time, our newly revived Block Captain phone tree to remind every member about our Semi-Annual Meeting on May 17, and Clean-Up Day the 18th.

Thank you to all our Block Captains for volunteering their time and effort to improve the Club's communication system. The last several month I have heard a lot of our members expressing the desire to be involved in the Club in Various ways and this is just one of the ways they have found to support the Club. I have hope that in the near future we will recreate some of our former committees, especially the social committee. Call me anytime with your suggestions, or to volunteer time.

5TH ANNUAL LAKE HOPATCONG IN-WATER FAMILY BOAT SHOW

After spending a couple of hours lending a hand at the May 18 LFYC seasonal Clean-Up Day treat yourself to Lake Hopatcong's annual in-water family boat show at Lee's Park Marina.

The free show, held this year on Sat. and Sun. May 18 and 19, will feature a full array of new boats, floating docks, marine accessories, local attractions, plus good food and free entertainment from 10 to 5 pm daily.

The boat show celebrates the official opening of the 1996 recreation season on the lake and will be held rain or shine. You'll see ski boats, runabouts, fishing boats, floatboats, family cruisers and personal watercraft. Demonstration rides will be available many boats.

The latest in fishing docks and swim floats will be on display, as well as *Grand National*, the Miller Brewing hydroplane. Members of the NJ Power Squadron and Knee Deep Club will be in attendance, and marathon swimmer "Grandpa" Bill Bolger giving tips on long-distance swimming. A Morris Sheriff's Office K-9 demo, and children's fingerprinting round out the day.

Giveaways will be drawn every hour during the show, and The Lake Hopatcong Area Business Association (LHABA), sponsor of the show, will be giving away free map/directories and calendars-of-events at their tent at show central. Lake Hopatcong postcards and tees will be on sale as will info on local activities, dining and shopping.

THE SPINE: KEY TO YOUR HEALTH

*American Journal of Pain Management Vol 4, No 1, January 1994

The spine is the key to the body's sustained good health according to researchers* and posture is a window to the health of the spine. The importance of posture should never be minimized. A recent study on posture concluded that, "Posture affects all human function... from breathing to thinking."* In order to make more people aware of the importance of the spine and posture and to introduce new families to the many benefits of chiropractic care, we offer a **FREE** spinal health class every Wednesday at 7 PM in our office.

To find out how modern chiropractic care can help your body to achieve maximum health and function, call our office to schedule a health class and initial examination today.

INTRODUCING....YOUR Block captains

Block Captains were a fixture of the Club until some time in the 70's—now we've decided to bring them back. The concept is simple: a member or two on each block to act as a liaison between Members and Club. The Block Captain will keep members informed of upcoming events, and answer questions about Club activities. We thank all of the Block Captains for volunteering, now we'd like to introduce you to your Block Captain.

NO JOB TOO BIG OR TOO SMALL

THE LAKE FOREST SOCIAL SCENE

by Kathy DeSena

This month there's so much to tell you about I hardly know where to start. Chronologically is probably the easiest.

First, I would like to thank Donna Bandura and Betty Peters for the outstanding job they did running the Easter Egg Hunt. I'm sure both the children and parents enjoyed themselves.

The Atlantic City bus trip was a huge success. We did not fill the bus, but we had a very prosperous trip. The morning started with coffee, tea, and bagels. The bus arrived promptly at 8:15 AM and we departed right on time at 8:30. Our trip to AC was a bit on the peaceful side. All enjoyed a video and a 50/50 which passed the time quickly. Once we arrived at

Resorts everyone bid the others good luck and rushed off to spend our savings. It wasn't until 6 hours later, when we met for the return bus trip, that we had a clue how everyone had done. Well, for the most part we were winners! Congrats to Phil Schiff who hit it big. The journey home was also quiet—another video and 50/50 and light refreshments concluded the trip. Start saving your pennies—we'll be running this trip again!

As we enter the month of May Club activities will be on the upswing. LFYC life is going to start hopping, so start marking your calendar.

May 18 is the date of our annual Clean-Up Day. Everyone is encouraged to join in to help beautify the property for the '96 season. The Trustees have made up a list of tasks which members can check as they arrive, choose one and then work at their leisure. I will have flats of flowers available for the kids. They can purchase a flower for 25¢ and then plant it (bring a garden trowel).

Our Beach Opening BBQ is scheduled for May 26 from 5 PM till?? We ask that you bring a dessert or salad to complete our BBQ menu. Please call (1629) and let me know what you're bringing so we don't have duplicates. Come meet our new Block Captains, the lifeguard staff, the Trustees and our new and old members. Sign-up for summer activities from swimming and tennis lessons to water aerobics and volleyball. This is one of our biggest events of the year—don't miss it!

Please note that our lifeguards will be on duty weekends only during June. And keep an eye on the bulletin board and the *Porthole* for future events. (Suggestions? Call me at -1629)

Hopping with excitement, some of Lake Forest's tinier members wait for the gate to open on the Club's Easter Egg Hunt
