Commodore's Message

The summer is in full swing since the school year has concluded. Our beach is staffed with lifeguards daily and our snack shack is in full operation. When attending the beach, please remember to bring your beach badges and your guests must have a member present at the time of your visit. Our lifeguards and security will be checking to enforce the policies of the club. If you are a member and are still in need of badges and parking tags, please stop by during office hours. On Wednesdays, the office is open until 7pm.

There have been questions from the membership regarding dogs on the property. Dogs are allowed on the property but are not allowed on or around the beach area. Walking dogs around the property is very popular and I encourage it. It is a beautiful place to walk around with your canine. We ask that you pick up after your dog and properly dispose of the waste. If you have any questions, please contact the office.

Live bands appear to be the theme this summer at the club. The live music always brings a great crowd down to the beach and this season we have many social functions that include a live band. Each band is unique and offers different styles of music to suit your taste. Please check out the social calendar and join us for some music and entertainment.

Community Day is taking place on July 23rd. This is a great opportunity for non-members thinking about joining the club to experience the grounds and beach for the day. There are many things to do, such as horse shoes, ping pong, bocce ball, swimming in the lake, sunning on the beach or just relaxing in the shade. Current members of the board will make every effort to attend this social function and answer any questions from those who might be interested in becoming a member.

For Your Calendar:

Band on the beach	July 17
Community Day	July 23
Beach Campout	July 30

The Lake Forest Vikings begin their swim season this summer with Coach Scott again leading the team. This year's team consists of nearly 50 children of all ages. Anthony Kahwaty will be the assistant coach this season for Scott and the Vikings. Last year's team had an exceptional record and this year appears to be very promising. We wish them the best of luck this coming season. Please be advised swim meets usually take place on Wednesday evenings and Saturdays mornings, if you plan on attending the beach on these days.

I hope everyone is having a great summer and I hope our members use our beach and facility to the fullest extent. I also hope non-members consider joining our club to participate in our social events and enjoy everything Lake Forest has to offer.
