

# The Porthole News

June 2008

## Commodore's Message

We had excellent weather for our Opening Day Picnic with over 225 attendees having a great time. The kids participated in a basketball skills competition, enjoyed a Magic Show in the clubhouse and played games with DJ Earl who kept the party rocking. We also have a new Horseshoe team champion of Craig Postol and Paul Sabia. Thanks to Buddy Coutts who donated the seasoned wood and our "Bon Fire Master", Gary D'Uva, who once again provided us with a spectacular bon fire. I'd also like to thank all the volunteers on our Social Committee who made this Opening Day Picnic another success.

At our Semi Annual meeting on May 2nd, I announced that Johnny Veninata was selected by our Scholarship Committee as the recipient of our 2008 LFYC \$1,000 Scholarship. Johnny is the second recipient of our scholarship program, which began last year, and will receive his scholarship after completing his first semester of college. Congratulations to Johnny and we wish him well with his college education.

For those of you who seem to never be able to get away from your computer to enjoy our facility, I have some good news for you. The LFYC is now a "Hot Spot". Thanks to Pat "Wi-Fi Guru" Brennan, who installed our Wi-Fi system, members can now check e-mail and surf the web while on club property. So bring your laptop down to the beach and keep up with your e-mails while enjoying the beach.

As we're all concerned about high energy costs, the board has taken measures to decrease our electrical power consumption. With high efficiency fluorescent bulbs having become more affordable, we have replaced all the incandescent bulbs in the clubhouse with these energy efficient bulbs. The lighting in the commodore room, bathrooms and front hallway have all been replaced with these bulbs which use 70% less energy and the rooms are actually brighter than before. Only the sconces in the main room are still incandescent bulbs as the fluorescent bulbs do not work with dimmers. The board is looking at several other energy conservation measures and if you have any recommendations, we'd like to hear from you.

We have booked the band "Pinnacle" for our 2008 Concert on the Beach. On Saturday, July 26<sup>th</sup>, Pinnacle will be playing from 2 to 6 PM on our patio offering a fun filled mix of music for a great beach party. This free concert on the beach is for all members and member guests to enjoy, with your beach badges being required as your admission to the concert. Let's hope for great weather and I look forward to seeing you at the concert.

As we start our summer season, you will likely see some new faces on the beach. I'd like to welcome our 2008 new member families: the Bonifacio family, the Bowers family, the Handzus family, the Malakuskie family and the O'Donnell family. Welcome to the Lake Forest Yacht Club and we look forward to seeing you enjoying the facility.

Frank Gutowski  
Commodore

Johnny Veninata, pictured with his parents John and Karen, receives the 2008 LFYC Scholarship Award from Helene Emery and Frank Gutowski.

Next Trustees Meeting – June 12, 2008, 7:00PM,

Commodores Room LFYC

*Note: Minutes are condensed, for publishing in the Porthole. Please contact the LFYC Office to view a full set of minutes.*

## Lake Forest Tennis Clinic

Tennis is back at the Lake Forest Yacht Club! The six-week clinic begins July 1st thru August 7th (rain date Aug. 12th) For kids ages 7 & up.

Sessions are on Tuesdays/Thursdays:

*Ages 7-10: 4:30-5:30pm*

*Ages 11&up: 5:30-6:30pm*

*Adults: 6:30-7:30pm*

*Space limited to 10 per class.*

Our instructor, Joe Fennell is the Head Coach of Sparta High's Boy's Varsity Tennis Team. Joe was a 4 yr Division 1 Player at Fairfield University, and the #1 Player and Team Captain. He's been teaching tennis for 8 years and is also available for private lessons -- call 973-879-0634.

**Prepaid Registration to the LFYC Office. \$75 per person, check payable to Joseph Fennell. Available to LFYC members and their guests.**

**Adult Class Available!**

## LFYC Goes Wireless!

Attention all WiFi Lovers, you can now get on the internet from the clubhouse and beach. The yacht club has installed a wireless router, so we can now access the internet from the beach.

The WiFi is a Linksys N-router with an N series Wireless Access Point, It's the fastest WiFi available today. It isn't security protected so should just show up in everyone's "Available Wireless Networks" as "Lake Forest Yacht Club".

I used it the other day, and I must say that it indeed is fast, and easy to connect to.

Thanks to Everyone who helped get this going,, especially

Pat Brennan. Way to Go.

-Rebecca

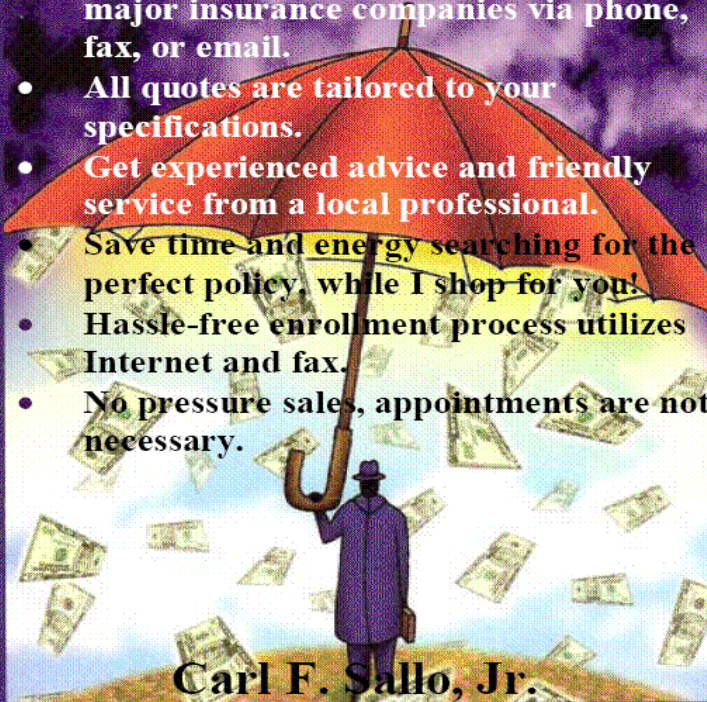

## Are you Covered?

Smart investing begins with careful planning.

The basis for sound financial planning begins with adequate life insurance coverage. Without proper coverage, one's assets, savings, and other investments can vanish with the occurrence of a single tragic life event.

Life insurance rates are at historical lows. Procrastination comes with a price. Call today for a free, no obligation analysis. We'll discuss your needs, concerns, and suitable options that will ensure your assets are well covered.

- Receive free, no obligation quotes from major insurance companies via phone, fax, or email.
- All quotes are tailored to your specifications.
- Get experienced advice and friendly service from a local professional.
- Save time and energy searching for the perfect policy, while I shop for you!
- Hassle-free enrollment process utilizes Internet and fax.
- No pressure sales, appointments are not necessary.

# Lake Forest Nursery School News

We have made it through the last full month of school. The children reviewed colors, numbers and the alphabet in May. They went on a Lambing trip to Valley Shepard Creamery in Long Valley. The children had a great day. They also put on a special celebration for Mother's day. Everyone did a wonderful job. The children sang and decorated cookies for us Mom's.

They even surprised us with beautiful bracelets and necklaces they made. A special thank you to Mrs. B. for all of her thoughtful projects and celebrations throughout the year. Mrs. B is already hard at work teaching the children new songs for Graduation. Our Graduation Ceremony will be on Thursday, June 5<sup>th</sup> at 10:00 am.

# Lake Forest Swim Team

**Swim Team Tryouts: Sunday, June 8th 5PM & Monday, June 9th at 5PM**

The Lake Forest Swim Team is Welcomes back Kyle Silbernagel and Chris Murarik as the team coaches for the upcoming season.

## Kyle Silbernagel

### 5<sup>th</sup> Season Coaching (4<sup>th</sup> Year Head Coach)

Kyle swam on the Lake Forest Swim Team for nine seasons up until his graduation in 2004. He was a two-time captain of the team, the assistant coach of the team his senior year, and has broken numerous team and NJRLL records. Kyle swam for 11 years on numerous club and YMCA teams in New Jersey and Michigan, and was a four-year Varsity member, two-year captain, and a nine-time record breaker of the Jefferson Township High School Swim Team.

Kyle recently graduated from Fordham University, where he majored in General Science and minored in Mathematics and History and wants to pursue a career in medicine. He is a four-year Varsity athlete for Fordham University Swim Team and has been a four-time member of Fordham's prestigious Atlantic-10 Championship team. He is also a three-time relay member finalist and three-time consolation individual finalist at the Atlantic-10 Championships.

Kyle will be in his fourth season as the head coach of the Lake Forest Swim Team. He has also been a lifeguard at the Lake Forest Yacht Club since 2001. Kyle has been teaching swim lessons for eight years at the area's YMCAs and has been giving private lessons for five years in his backyard pool. He is Red Cross Certified in CPR, Lifeguard Training, First Aid, Waterfront Life guarding and a Healthcare Provider of the American Heart Association.

Last season, Kyle led the team to a 6-4 record and a fourth place finish in the Large Team Division in the NJRLL Dual Meet standings. He believes that through hard work, determination, and some fun, this season will be even more successful than the last and he is very optimistic for the upcoming summer with the team.

## Chris Murarik

### 4<sup>th</sup> season coaching

Chris Murarik is back again for another season as coach for the Lake Forest Swim Team. Chris, a resident of Lake Forest, joined the Lake Forest swim team when he was seven years old. He swam on the team until he was fifteen. In high school Chris swam for Jefferson all four years and was a team captain during his junior and senior year. As a freshman Chris received the award of Most Improved Swimmer. In his sophomore year he was awarded the Sportsmanship Award. As a junior he was awarded the Coaches' Award and then in his senior year he once again won the Sportsmanship Award.

Chris's love for the sport continued on after graduation. During the summer of 2004 Chris was an assistant coach for Brian Palumbo's swim clinic at Lake Forest as well as filling the position of assistant coach for the Shongum Lake Swim team. The next winter season Chris became an assistant coach at Jefferson Township High School. In 2005 Chris came to the Lake Forest Swim team as the assistant coach and once again worked with Brian Palumbo's swim clinic. Chris's winter season brought him back to the high school to work with them as the team's assistant coach. In 2006 Chris once again returned to Lake Forest as an assistant coach and also coached the high school swim team. 2007 brought Chris back to Lake Forest and during the winter he also worked with the High School swim team.

Chris will be completing his associate's degree in Criminal Justice from County College of Morris at the end of June and may be pursuing a career in Criminal Justice. Chris's hobbies are sled dog racing, and playing on a men's soft ball league.

Chris has a genuine interest in working with children, which is why he loves the job of coaching so much. His future may even lead him to become a gym teacher and continue on with coaching.

### 2008 Lake Forest Swim Team Schedule

Home: Sat., June 28 - Mendham at Lake Forest  
 Away: Mon., June 30 - Lake Forest at Shongum Lake

 Away: Sat., July 26 - Lake Forest at Randolph Park  
 Home: Mon., July 28 - Roxbury at Lake Forest  
 Home: Wed., July 30 - Park Lake at Lake Forest

## Beach Clean-up Day at the Club Saturday April 26th

Dear Members,

We had some difficulty this year getting the needed turnout of members to help with our annual "Clean-up Day". We need a better showing from our community at the next beach maintenance event, which will be in October, for our Beach Closedown. The catwalks could not be installed that day due to ice damage that moved a piling, which prevented us from installing the first section of the catwalk.

I'd like to thank the following members who came out, on what turned out to be a beautiful Saturday, and volunteered to help prepare our club for a new season:

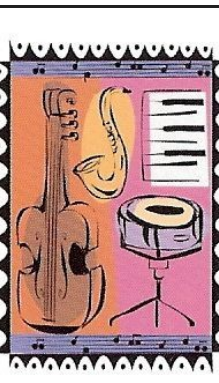

Jim Brown	Jim Costigan	Frank Gutowski	Frank Slusark
Katie Brown	Chris DeRobertis	Josephine Kahwaty	Brian Slusark
Ray Calogero	Chuck Emery	Tom Preston	Matt Slusark
Dave Cobb	Mike Espinoza	Bonnie Sabia	
		Craig Scheidlo	

*\* (If I missed listing any additional members who participated, I apologize, and thank you for your help with the clean-up)*

On May 15<sup>th</sup>, we had the repairs made to the piling to accommodate the catwalk. I'd also like to thank Jim Brown, Chuck Emery, Frank Gutowski, Bryan Hyland, Tom Preston and Fred Stewart who came out on May 17<sup>th</sup> and helped me install the catwalks and swim curtains.

Let's all continue to have pride in knowing we have the best facility in the area and continue to do what it takes to maintain and improve our club. We are going to indeed have a very active summer season and we look forward to seeing our members enjoying our facility.

Sincerely,  
Paul Sabia  
LFYC Trustee

## Be Aware of the Bears!

As Many of you may know, from the garbage strewn across your lawns, the bears are done with their dormancy, and now wandering, and looking for food. According to the NJ Division of Fish and Wildlife there are a few ways that you can prevent black bears from becoming a nuisance:

- ♦ Store all garbage in containers with tight-fitting lids and place them along the inside walls of your garage or in the basement, a sturdy shed or other secure area.
- ♦ Wash garbage containers with a disinfectant solution regularly to remove odors.
- ♦ Put out garbage on collection day, not the night before.
- ♦ Clean up after pets. If you feed them outside, do so during daylight hours only. Pick up any leftover food and remove bowls immediately after they have finished.
- ♦ Clean outdoor grills and utensils thoroughly after each use and store grills securely. Grease and food residue attract bears.
- ♦ Do not place meat or any sweet foods in compost piles.
- ♦ Avoid feeding birds if you live in an area frequented by black bears. Birdseed attracts bears. If you choose to feed birds, do so during daylight hours only between December 1 and April 1, when bears are least active. Suspend feeder from a free-hanging wire, making sure the bottom is at least 10 feet off the ground. Bring feeder indoors at night. Clean up spilled seeds and shells.

**Remember: One person feeding bears can create problems for the entire neighborhood.**

If you do encounter a black bear remember, Never feed or approach a bear. Remain Calm. Make the bear aware of your presence by speaking in an assertive voice, singing, clapping or making other noises. Make sure the bear has an escape route. Avoid direct eye contact, and NEVER run from a bear, slowly back away.

Immediately notify local police, or the Division of Fish and Wildlife (908) 735-8793 if you encounter an aggressive bear.

The NJ Division of Fish and Wildlife has a great Website with more information on Black Bears, and how to live with them: <http://www.nj.gov/dep/fgw/bearfacts.htm>

## Swim Lesson Sign Up's

Hello Everyone!

The time has come to sign up for swim lessons again for the Summer of 2008! I, Amanda DeSantis, will be teaching the program again. There will still be two sessions that you can choose from:

**Session 1: June 23-July 10<sup>th</sup> or**

**Session 2: July 14<sup>th</sup>-August 8<sup>th</sup>**

*(this class will run the weeks of July 14<sup>th</sup>-17<sup>th</sup>, 21<sup>st</sup>-24<sup>th</sup>, then there will be a week break, and the final week will be August 4<sup>th</sup>-7<sup>th</sup>.)*

The change is that this year the sessions are three weeks each, rather than four. Also you can choose if you want a Monday and Wednesday class, or a Tuesday and Thursday class, and I will do my best to accommodate you.

Please choose the session that you will be able to make the most lessons because this year there will not be make-ups on Fridays as there was last year.

Please sign up on the sheets posted by the beach galley which session you want, and check off which days you would prefer. The first sheet is for session 1, and the second is for session 2. I cannot guarantee you this spot, but I will be sure to call if there is a problem once I make the schedule.

See you all soon, Can't wait for summer!

Thanks, Amanda
